

The Pickles Plus Story

Chapter 1 – Est. 1989

Mr. & Mrs. Pickles arrived in Pinellas County from Michigan in the mid 70s and soon became respected home builders in the Pinellas/Pasco County areas. In the early 80s, Mr. & Mrs. Plus arrived from New Jersey where they were owners of a popular deli in the central New Jersey area. "Pickles" met "Plus" at a high school baseball game and their friendship "marinated". They decided to put their friendship to a test and open a Deli-restaurant that would serve the very best.

Joe & Renee Benedettini - "Pickles", Ralph & Gail Natale - "Plus"

Chapter 2 – Est. 1998

Mr. & Mrs. Pickles had two children, a Sweet Gherkin and a Half-Sour Gherkin. It was because of the Sweet Gherkin that they met Mr. & Mrs. Plus at a high school baseball game. Anyway, after both gherkins graduated from UF (Go Gators!), the Sweet Gherkin, (who can be sometimes not so sweet) convinced the Half-Sour Gherkin (who is really half sweet), to "can" the building business and "jump into the brine"!

Basically, they blended pretty well...even when things got a little "bumpy" from time to time because they realized that when "you're in a pickle" it's never "smooth"! Realizing that lots of Picky People Pick Pickles Plus, they didn't dilly deli around...instead, they continued the tradition of preparing delicious food made with fresh ingredients, quality meats & cheeses and serving it to great people with a smile (and sometimes even a hug!).

Thank you to our wonderful staff & loyal customers for allowing us to work with you and serve you for nearly 3 decades! We love what we do and if you do too please...tell the world! And if for any reason you have a problem, please...tell us so we can do our best to make it better.

Remember, life is like a pickle...it's never without a few "bumps"!

Sometimes it's sweet, sometimes sour, but overall it's wonderful!

Kim M. Benedettini - "The Sweet Gherkin"

Joe Benedettini - "The Half-Sour (Half Sweet) Gherkin"
